HI - Just sent Tomas Torres the certification letter by snail mail which was signed by Director Baggione. I also sent Tomas the 208 WQ Amendment Checklist for Queen Creek so that he would get a summary view of the 208 amendment. I am enclosing the same document to you with the 208 amendment.

As we have been asking of EPA 208 review in the past, 30 days are the review period for the 208 amendment. If we don't hear; receive any comments from EPA, we'll consider it approved.

Let me know if you have questions. Thanks much, Edwina
